

LPL Tool Lending Library Survey

The La Crosse Public Library is developing a dedicated Creation Space at our Main St. location to provide access to the resources and experience-rich spaces to help our community create, innovate and collaborate. At this time, we are asking for feedback on our forthcoming tool library, which will provide access to circulating tools and materials help to reduce cost-related barriers to home improvements, while also encouraging the exploration of new DIY skills and hobbies. Please return your completed form to the La Crosse Public Library (800 Main Street) by July 15, 2022.
